

Concept Kits

Imagine the impact your company will have at your next trade show or exhibition with this professional unit. Attach brochure holders, promotional table or LCD monitor to the sleek aluminium poles. Choose from a number of configurations. Interchangeable printed graphics. Purchase your own or hire the hardware and print your own graphics.

Pop Up Walls

Great for trade exhibitions and Expos. Fits nicely into a 3m x 3m trade show booth. The curved frame and panels all fit into one carry case on wheels that converts into a counter. Ship around the country to wherever you have your next promotion.

Bannerwall

A cost effective option for large promotional back drops that require a freestanding frame. 2.3m wide plus you can add halogen lights for extra effect. Folds down easily for transportation anywhere.
